Official Journal of the Global Tracheostomy Collaborative

Tracheostomy: Official Journal of the Global Tracheostomy Collaborative

Mission Statement
Our mission is to partner with hospitals, healthcare professionals and patients and families around the world to improve the care, safety and quality of life for everyone with a tracheostomy.

Vision Statement
Safe, effective tracheostomy care on a global scale, achieved through data-driven innovations of interprofessional teams of physicians, nurses, respiratory therapists, speech therapists, patients, and families.
